Leslie,

you were a real big help in Plane Geo. this year and I really want you to know this. Well it was pretty nice having the smartest girl sit by me for the first part of the year.

All I can remember is when I needed help you would always be there to help me. Well I know you were glad that Mrs. Swick changed the seating order AND THAT HAWK SAT by you because after she changed our seats you came in the room and just started at him all the time or you were just looking out the window. I bet you were looking out the window because looking at that kid for 2 minutes would make me sick. Well after 2 weeks of rain it looks like you will have to mow your grass. Well good luck this summer and hope to see you and I hope I get put in some of your classes next year.

But until then, have a nice life, (which I already know you will, because of the kind of person you are.) and good luck next year.

DEDICATION

JOHN S. CAMIGLIANO

We, the class of 1976, dedicate this volume of the DRAGON to Mr. John S. Camigliano. A graduate of Warren Area High School in 1958, Mr. Camigliano received a B.A. Degree in history and government from Oberlin College. In 1967, he received his Masters Degree from Western Reserve University.

Before coming to Warren Area High School in 1967 as a teacher of U.S. Cultures, Mr. Camigliano taught for four years in Cleveland, Ohio.

A student editor of the DRAGON in his senior year of high school, Mr. Camigliano has been the advisor for the DRAGON Editorial Board since his return to Warren.

His enthusiasm in teaching and his interest in each student has contributed much to our school life.

Mr. "C" has a smile and quick wit that have won our deep affection.

We, the class of 1976, want to thank Mr. Camigliano for the countless hours spent on this and past DRAGONS. For unceasingly giving of his time and energies throughout the years, Mr. Camigliano has our lasting gratitude.

DEDICATION

JOHN T. SHEA

This edition of the 1976 DRAGON is dedicated to Mr. John "Toby" Shea. A graduate of Warren Area High School, Mr. Shea continued his education at Lock Haven State College, receiving his Masters Degree from Indiana University at Bloomington, Indiana. He also served in the United States Army.

Since 1967, Mr. Shea has been a physical education teacher and head football coach of Warren Area High School.

Active in community affairs, Mr. Shea has served on the Warren County Zoning Board of Adjustment and on his church council. He is often the guest speaker for church groups and various civic organizations.

Mr. Shea is a man with a personal commitment toward excellence and victory. He tries to instill in the young people, in his classes and on the football field, the principles of duty, the respect for authority, and the development of strong mental discipline. He is a man who has great loyalty and respect for his fellow man. Mr. Shea displays pride in all he does, be it concerning his work, his home, or his family.

As an expression of our gratitude and thanks for his work and efforts at Warren Area High School, we, the class of 1976, dedicate this DRAGON to Mr. John T. Shea.

William R. Miller

PRINCIPAL

TO THE CLASS OF 1976

The challenges facing your generation are perhaps greater than those our forefathers faced in 1776.

Your generation must find the means that will allow all nations to live in peace, develop the techniques that will provide food and shelter for the world's masses, solve the many economic ills, discover alternate energy sources, and, prevent the pollution of our spaceship "Earth". The destiny of mankind rests with you.

As the Bicentennial Class of 1976 leaves their Alma Mater, our best wishes for success and our prayers go with them.

Leslie → Well It's going to take me a while just
to think of something but then again
I have a pretty good imagination. Just
kidding of course I will never forget
Stroupe & his fun bookkeeping class.
I sure hope you come see me this
summer, maybe we can go over
town or go get an ice cream cone.
I guess I had better get going so I
can get the notes for the Bookkeeping
final.
Good Luck (I'll chat stuff)

 Working on the Prom was a real experience with you. I'm
 glad it's over. You're a real great gal and I'm glad I've known you

 of me back in 5th grade? I thought we'd never get

those murals above! You and your sister are a couple of great
 friends to have around. We oughta get together some time.
 Well, I sure hope to see you both this summer (we live
 so far away from each other!). Whatever you decide to do in
 life, you'll make it. Hope to see you next year over the summer.

FOOTBALL

Our Fighting Dragon football squad capped off its successful season with an exciting victory over its arch-rival Jamestown, 12-6. After the dust had settled on the gridiron in early November, the Dragons finished with an overall record of 7-2-1, securing for themselves second place in the Eastern Division of the Northwest Football Conference. Although a championship season just eluded their grasp, Coach Shea's eleven proved to be a very tough challenge to every team they faced. Along with a team high of ten touchdowns, Joe Wozneak led the Dragons in rushing with 1,104 yards. Headed by Dave Ward, the receiving corps netted 230 yards with four touchdowns throughout the ten-game season. Don Moore and Jay Duell were on the front end of the majority of Warren's passes, leading an aerial attack of twenty-four completions for 277 total yards and five touchdowns. Mark Fredericks, Mike Baldensperger, Doug Marks, Kevin King, Bob Slocum, and Joe Wozneak all received post-season honors. Matt Allen, Ted Prodromou, and Pat Jerman also returned as lettermen. Wozneak and Fredericks won the annual back and lineman awards respectively. As Mr. Shea remarked, "The team performed with 'reckless abandon.'" We commend the team and the coaches for another fine season.

Coach Toby Shea

CROSS COUNTRY

For the second straight year the Dragon Cross Country team walked away as Section Champions (undefeated in Section and dual meets). While boasting a record of 11 wins with just two setbacks, Coach Shaffer led his charges to a 3rd place finish at the Section II meet and a 4th place finish at the District Ten competition. Once again, Brian Jordan paced the team with such personal accomplishments as Section and District champ. Also, Brian added to his undefeated season by placing 2nd at the Gannon Invitational and 25th at the State meet. Amy Hanna finished 6th at the District competition in the Class AAA girls division and was the 60th runner to cross the finish line at states. Determination was the key word throughout their satisfying season. Congratulations, Warriors!

BASKETBALL

The '75-'76 Warren Dragon Basketball Team took part in another thrill-packed season. The sixteen varsity members were once again under the supervision of head coach Ed McGlumphy. The seven seniors and nine juniors who wore this year's "blue and white" combined individual effort and teamwork with much success. They completed their season with a record of 13-9, competing at the top of the Section II standings all season long. As Coach McGlumphy noted, "When the going gets tough, the tough get going." Indeed, the action was fast-paced during the early weeks of the season, but the hustling roundballers got rolling and with their team spirit continued the Dragon's winning tradition. Returning lettermen were Burt Caldwell, Bill Cummings, Jeff McClement, Ron McCune, and Tim Daley. Leading the team in scoring was Daley, while the boardwork was controlled by McCune. Coach Gary Grusek once again led the Junior Varsity "five" this season. Also highlighting the season was the annual Holiday Tournament and the post-season banquet. The Dragons' championships of the last few years were hard to earn, but this year's team had even a greater challenge lying before it in trying to defend these victories.

WRESTLING

Our wrestling team brought a great deal of pride to Warren High school this past winter. Coaches Lee Chew and Tony Scordo did an excellent job in teaching the grapplers the extremely difficult skills and maneuvers. Co-captains Mike Baldensperger and Dean Johnson led the team's enthusiasm which provided the necessary unity it needed throughout the year. The team finished the season with a quite respectable record of 10-4 in overall play, finishing in second place in Sections behind a very tough Oil City squad. Fifteen wrestlers earned Varsity letters for their performances in fourteen very tough matches. Noticeable records were set by Mike Baldensperger, who wrestled at 167 pounds, brother Jeff at 138 pounds, and 145-pounder, Jamie Mohny. Tough practices after school prepared the team for many section and non-section foes such as Ridgway, Franklin, and McDowell. The season started out on the right foot with a great victory in the Holiday Wrestling Tournament in December. The grapplers composing the Junior Varsity squad finished with a record of 11-3. The total team effort through the season led Coach Chew to comment that "experience" was the primary factor which led to his team's success. We congratulate the wrestlers for one of their best seasons in many years.

BOYS' SWIM TEAM

This year's Boys' Swim Team posted a fine record again this year of 14-4. Each swimmer plunged into the icy waters at seven o'clock every morning for strenuous practices. However, their efforts were not in vain, as they finished in second place in Section II competition. Some outstanding individual performances were Reinhard's record-breaking 200-yard individual medley, Lyle's new mark in the 100-yard freestyle, and Martin's record-shattering action on the diving board. The team's "splashing success" can best be credited to coach Mike Phillips. He commented that his team accomplished its pre-season goals, and that its effort revolved around one word in general — "desire."

This season the Girls' Swim Team was composed of thirty-eight bathing beauties ranging from grades eight to twelve. With a record of 11-3, the swimming Dragons gracefully competed in many events such as the freestyle, butterfly, breaststroke, backstroke, and diving. Under the direction of Coach Betz Mullen, along with this year's co-captains Pam Wolfe and Gizella Bunce, the girls worked very hard in every event and made each meet very exciting. Seventeen girls, who earned letters a year ago, returned to lead the team against formidable foes such as St. Mary's, Brookville, and Franklin. Coach Mullen commented that her squad "swam with pride" again this year. While doing so, they continued to swim over one thousand miles and also went on to break and reset many established records.

BOYS' TRACK

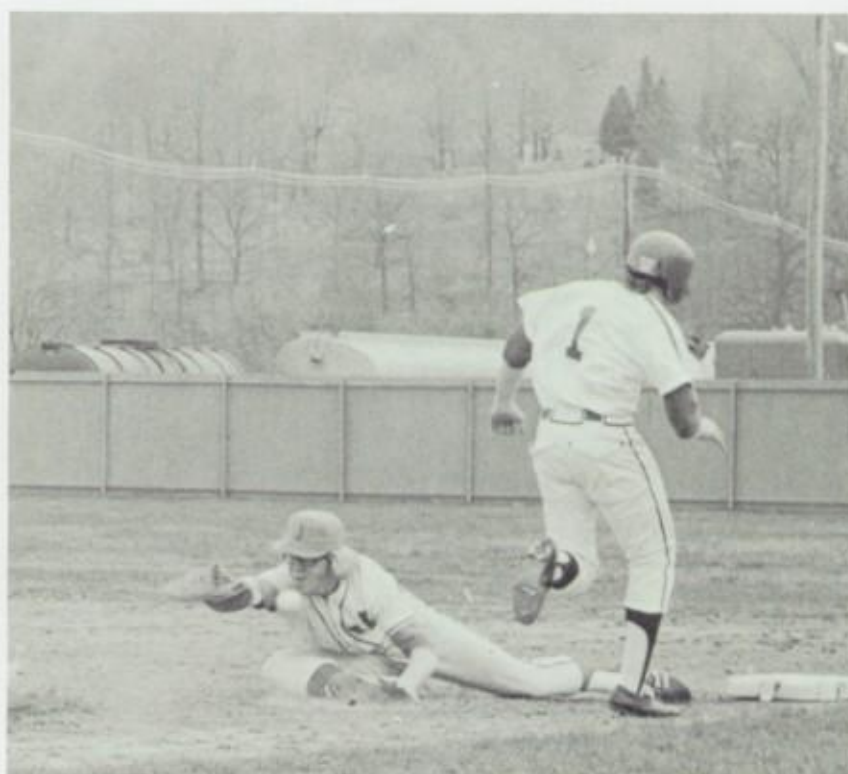

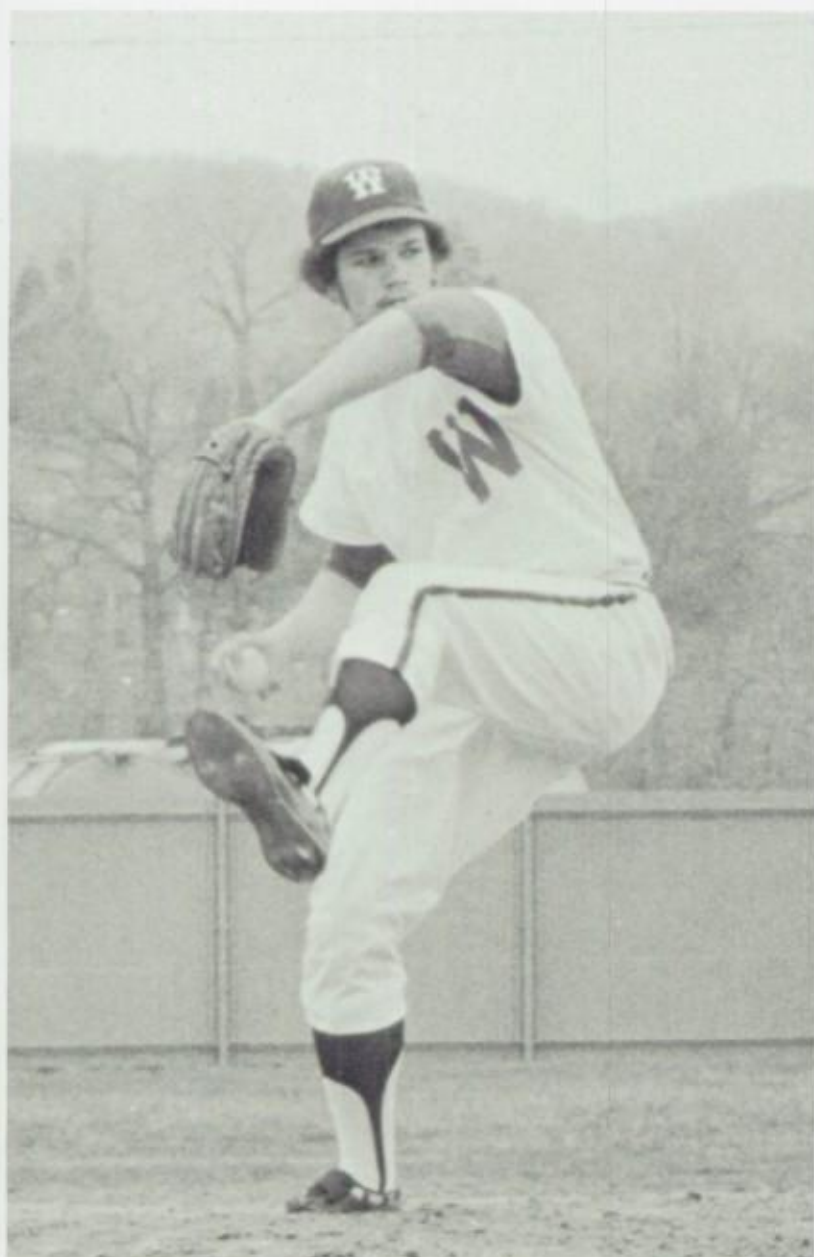

After his first year since taking the reins of head coach, Mr. Rusnica led the Boys' Track Team on to an impressive record of victories. A winning mark of 4-3 was compiled in dual meets alone. From that first practice in late February to the final races in Section, District, and State competition, the '75 season was, in many aspects, a very exciting one. Competing in events such as sprints, long-distance running, jumping, and field events, the squad faced many tough schools in Section II such as Oil City, Franklin, and Titusville. Over half of last year's team returned this spring to pace the Dragons. Coach Rusnica, along with assistant Mr. Hackett, commented that "sheer talent alone" helped the team hurdle to success.

BASEBALL

Under head coach Pete Molinaro and assistant coach Jim Falvo, the 1975 Warren Baseball Team provided thrills and excitement for its many loyal fans. Although the weather conditions were unsuitable at times in early March, the Dragons nonetheless practiced daily in the gymnasium until the sunshine allowed them to move to Memorial Field. Seventy-two candidates turned out for the first practice, but only twenty-nine made the team, eight of whom were returning lettermen. The squad combined both offensive and defensive skills for a highly competitive brand of baseball against teams such as Jamestown, Meadville, Corry, and Erie Prep. They finished last season with a record of 13-3 hoping to improve on their record this year. "Perseverance" was the key word throughout the long, but worthwhile, season.

GIRLS' BASKETBALL

Coach Dies, Coach Rice.

Warren Area High School's Girls' Basketball team finished this season in second place in Section II competition. Their record of eleven wins and four losses was topped only by Corry. Junior Pam Bonadio led the Fighting Dragons with a twenty point average. In the rebounding department, Jane Hand and Sue Martin led the team. In this, the league's fourth year of existence, the competition has improved immensely. The girls have practiced for many hours, and they have definitely demonstrated this drill by the continuous action provided during the games. Coach Dies commented that her Dragon Dribbler's successful efforts were all based on "determination."

GIRLS' TRACK

Under the leadership of head coach Miss Mead, assistant coach, Mrs. Dies, and ten returning lettermen, the Girls' Track Team "hopped, skipped, and jumped" their way to one of their best seasons ever for Warren. "Diligence" was the most important word which best described the competition in the 1975 season. With only one loss all year long, the Dragons added on five victories to finish the year in a three-way tie for first place in the final Section II standings. Still, the girls rose to the occasion by putting on an outstanding performance at Sections over their main rivals, Oil City and Titusville. One memorable accomplishment was set by the 440-relay team which, while breaking the record of the previous year, went on to finish in fourth place at the state meet. With exceptions of the pole vault, the triple jump, and the mile relays, the girls competed in the same events as the boys during their season.

VOLLEYBALL

A new organization this year at W.A.H.S. is the girls' varsity volleyball team. Coach Moylan fielded a team of twenty-five girls which practiced Monday, Wednesday, and Friday mornings at seven o'clock throughout the season. The coach worked hard to point out not only the basics, but the finesse of the game as well. Mrs. Moylan commented that the efforts of the participants were "enthusiastic" as they competed on the Section II level. We all welcome the newest member of Warren's sports program and we wish the girls success in the years to come.

TENNIS

The eighty members of this year's Tennis Club worked hard at improving not only the basic skills of the game but also the more advanced aspects of the sport. Their combined efforts have shown through in the club's individual talents and teamwork. In this, the third year of intramural competition, advisor Mrs. Williams commented that her "dynamic" group combined work and fun every Wednesday evening at practice. The points earned during competition were used to establish rank, leading up to the tournament held in the spring. Letters were also earned by many members. By selling candy, the club received enough money to purchase jackets and other equipment. Members of the Tennis Club also had the opportunity to attend the Billie Jean King Tennis Center in Jamestown, New York, once a week to practice and compete with the pros in the area.

CHEERLEADERS

Paula Sweet, Bonnie Gustafson, Terri Weidert, Danni Hedman.

Headed by advisors Mrs. Fiscus and Miss Clapp, the cheerleaders once again aroused our school spirit. Through their many rah-rah-rah's and sis-boom-bah's, there was never a dull sporting event. By selling fruitcakes at the beginning of the season, the cheerleaders were able to raise money for jackets, megaphones, and other equipment. These twelve energetic girls, along with the four hard-working boys, were a vital part in the success of the 1975-1976 Fighting Dragons.

The Bowling Club, with advisor Mrs. Williams, completed another season with great success. The intramural program, which involved seventy students, produced excitement all year round. Through hard work and effort, each bowler improved his individual performance to make the league's competition more challenging. The two leagues, which met every Monday and Wednesday, posted the high scores weekly. Highlighting the year's activities was a chance for each member to participate in the Warren County Bowling Tournament. After the money "rolled" in, the team purchased bowling jackets. Mrs. Williams commented on her team's outstanding efforts as "sparingly striking."

Les.

To a crazy lady I adore. I'll always remember the wild time we had working on Prom. Like when I sat on that paint lid that made a cute little eye on my jeans. (and let's remember how we used to all judge every s... that came on the radio, and all the grumps that Jim had about our hard work (we should have blugged him or something.)

I'll miss and think of you often after our move. I will write to you. Don't worry. Friendship's like ours can't be destroyed by distance.

SPANISH CLUB

Have a great summer and senior year. You'll have to come to a party of ours before we leave. I really wish you would.

Take Care.

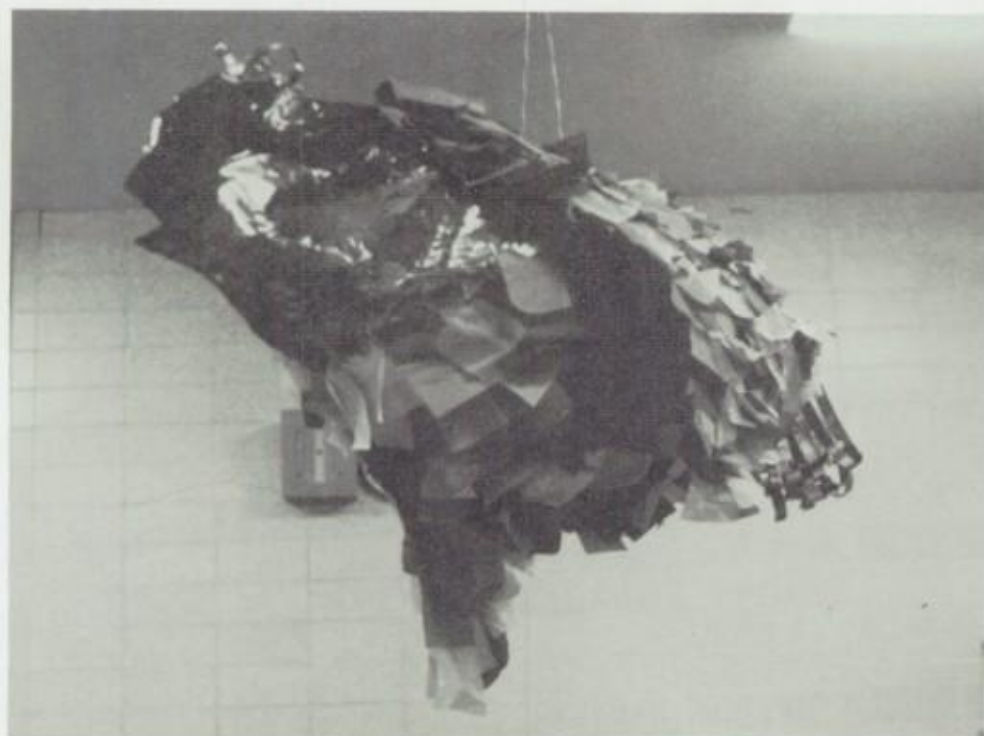

Love,

Cathy Marks

The Spanish Club, open to all Spanish students, exists to familiarize its members with the culture and language of Spain. Under a new advisor, Mrs. Stewart, the club had its traditional initiation dinner where first-year members answered questions in Spanish. The members also held a joint dinner with the French Club and enjoyed a bowling party. A Christmas party complete with a piñata highlighted the year's activities.

Leslie,

Remember all of the thrilling, exciting, etc. (if that is what it is!) conversations held at our strange group during lunch. Between Carol, Ginger, & Sue, I'm surprised we could even eat! (not really). Also, don't forget all the fun we had at Edinboro & the math contest. Hope to see you next year & have fun this summer. R.M.A. A.J.A. Beth Adams

ACKNOWLEDGMENTS

We thank everyone, both students and faculty members, who helped to create the 1976 *DRAGON*. Special acknowledgment goes to Mr. John Camigliano, our devoted advisor; Mr. Miller, our principal; and Mr. Charles Mullen, our business advisor, for their valuable guidance. Mrs. Andersen deserves special recognition for her literary assistance while Mr. Mahan merits commendation for his excellent photography. To Herff Jones which published our yearbook and to the *WARREN TIMES OBSERVER* who provided pictures, we extend our sincere appreciation.

Herff Jones, Gettysburg, Penna., printed the 1976 *DRAGON*. For purpose of convenience, the staff used a two-column layout and the Caledonia Bold with Bold Italics type. Headlines were printed in eighteen, twenty-four, and thirty point, the body in ten point, and the captions in eight point on Patina paper.

The staff wishes to commend Mr. Thomas Chaffee, the Herff Jones representative in the area, for his invaluable guidance in compiling our yearbook.

So a real sweet person. It has
really been fun getting to know you.
It really seems like a long time that
we will have been friends. Maybe it has
been that way because of all the good
times. At least for me they have been
great. You probably will never know
how much I enjoy and respect your
friendship. Sometimes I feel we are better
friends than Sandy and I are.

Well you have one more year to go.
I wish you the best of luck in that year.
If any thing would happen that one of
us would move or get involved in other
things. Please keep in touch. Your friendship
has been a happy time in my life. We
have really had some good times.

Good luck in everything you doing.
Yes, I know you, so I know that you will
succeed in everything you do. Do your
best Leslie, and you always will come
